International Mail—Instructions

Use this form for all International mailings.

Step 1: Complete Mailer and Mailing sections on page 1. The Mailer section must be completely filled in, including the Permit Holder in the first box, the Mailing Agent, if any as described below, in the second box, and the Mail Owner, as described below, if other than the Permit Holder, in the third box.

Mailing Agent: The mailing agent is a business entity, organization, or individual acting on behalf of one or more mail owners by providing mailing services for which the mail owners compensate the mailing agent. A business entity, organization, or individual whose services define it as a mailing agent may also be considered a mail owner, but only for its own mail or the mail of its subsidiaries. Mailing agents include, but are not limited to the following: Printer, letter shop, address list provider/manager; mail preparer, postage payment provider, mailing logistics provider, mailing tracking provider, ad agency, and mailing information manager.

Mail Owner: The mail owner is the business entity, organization, or individual who makes business decisions regarding the mailpiece content, directly benefits from the mailing, and ultimately pays for postage on the mailpiece directly or by way of a mailing agent.

Step 2: Determine applicable part(s) A through J and S (pages 2-17), to complete for your mailing.

Part A - First-Class Mail International (FCMI) including Airmail M-Bags	Part I - Global Direct - Canada Admail
Part B - First-Class Package International Service (FCPIS)	Part J - Global Direct - Canada Publications Mail
Part C - International Surface Air Lift (ISAL) including ISAL M-Bags	Part K - Global Direct - Canada Lettermail
Part D - International Priority Airmail (IPA) including IPA M-Bags	Part P - Commercial ePacket - Transmits Customs Data
Part E - Priority Mail International (PMI) - Transmits Customs Data	Part Q - Global Direct
Part F - Priority Mail International - Regional Rate Box	Part R - Reserved
Part G - Priority Mail Express International (PMEI) - Transmits Customs Data	Part S - Extra Services
Part H - Global Express Guaranteed (GXG) - Transmits Customs Data	

Step 3: Complete only applicable part(s), enter sum of the (unrounded) postage amounts for that part.

Step 4: Return to the Postage section on page 1. Check the boxes that correspond to the form parts used. Add the postage amounts for all parts and enter on Line 1 Subtotal Postage, rounded off to two decimal places.

Step 5: Complete Line 2 for Postage Affixed mailings. Check the applicable box (Correct, Lowest, or Neither) for the Price at which Postage is Affixed. Multiply the number of pieces by the postage affixed. Put the total in the Postage Affixed block.

Step 6: Calculate Line 3 Net Postage Due by subtracting any Postage Affixed (Line 2) from the Subtotal Postage (Line 1). For permit imprint mailings, the Net Postage Due is the amount that will be withdrawn from the permit imprint account listed in the Permit # box in the Mailing section. For postage affixed mailings, the Net Postage Due is the amount that must be tendered in addition to that already affixed to the mail, and it may be tendered by any of the applicable methods including withdrawal from an advance deposit account that can be listed by Permit # on Line 3.

Step 7: Read and sign the Certification section, including your telephone number. Attach all completed pages and submit with the mailing.

Postmaster: Report permit imprint revenues using Account Identifier Codes (AIC) as follows:

Part A - AIC 243 First-Class Mail International (FCMI) AIC 245 Airmail M-Bags
Part B - AIC 243 First-Class Package International Service (FCPIS)
